ABOUT ME

Greetings! As a dedicated Computer Science student at Bina Nusantara University, my focus lies in Database Technology where I have honed my proficiency in a range of programming languages. Equipped with the ability to communicate effectively in three languages, I bring to the table strong leadership skills, evidenced by my track record of managing teams to success in diverse projects. My enthusiasm for continuous learning and passion for collaboration make me an ideal candidate for dynamic work environments. I am actively seeking internship opportunities that will allow me to further develop my expertise in Data Analyst and Web Development.
